OLD BUSINESS:

More about the Plant Sale – setup day is Friday, April 27 from noon – 5:00 PM. Please bring tables, wagons, and boxes so we can encourage customers to purchase more. The pricing committee is available, but we ask that you please place labels on the place beforehand. Also, please try to price a little higher than last year, and nothing under \$1. The work day two weeks ago went great – that team put together 30 combination pots of filler, spiller, and chiller plant groupings.

A motion was made by Mary Bryant to restrict club members from purchasing plants before 10:00 am on the day of sale so all plants will be available to the community. This motion was seconded by Rocki Sellers and approved by the club unanimously.

There will be table available for pots and extra gardening supplies and a bird bath was selected for the raffle. Those helping the day of are requested to park in Terri Melby's yard across the street to limit congestion. There is no rain plan so let's hope for beautiful weather! The club purchased small plastic bags/seed packets to put pictures in of flowering plants, such as daylilies and irises, so shoppers know what the plant looks like in bloom. The plant sale is Saturday, April 28 from 8-noon.

NEW BUSINESS:

A sign-up sheet for hostess/co-hostess/committee members for 2018-2019 was passed around.

Debra Smith and her husband's company is going to maintain the medians at the previous voted on cost of \$40/month. The mulch for the medians total \$337. Miriam Jabour made a motion to split the total cost of the mulch with the Openwood Homeowners Association. This motion was seconded by Michael Jabour with none opposed in the club.

Please fill out your president's reports and include the number of plants you plan on bringing to the plant sale.

The date of the Installation Meeting is Sunday, May 20 from 5:00 -7:00 pm. Becki will send the potluck sign up via email to most members while providing Ilse and Darlene paper copies.

Again, please mail or drop off your dues to Joan for next year – if dues are late, there is additional paperwork that Joan must fill out.

With respect to the Sunshine committee, Diane Different made a motion to budget up to \$50 for purchasing cards and stamps. This motion was seconded by Libby Beard with the majority of the club in favor, except for Mary Reed who was opposed.
